

# Exam Preparation

Raise your English level and certify it with an internationally recognised qualification. Whether you are taking an exam for work, study or as a personal measure of achievement, we ensure you get the best result possible.

## WHAT CAN YOU EXPECT ON THIS COURSE?

### Improve your level

With plenty of core English training, at the end of your course your exam results will reflect a significant improvement in your reading, writing, speaking and listening. You will learn:

- methods and strategies for successful integrated and independent writing
- the skills needed to speak confidently and succeed in a one-to-one interview
- listening strategies such as listening for gist and for detail
- skim reading for meaning, scanning for detail, paraphrasing, making inferences, and more

To ensure you get the best score possible in your chosen exam, these courses will focus on:

### Writing

You will be taught methods and strategies for successfully completing integrated and independent writing skills.

### Speaking

You will learn the skills needed to speak confidently on a number of topics in order to succeed in a one-to-one interview.

### Listening

You will be exposed to various natural English accents, and taught listening strategies, such as listening for gist and listening for detail.

### Reading

You will practise reading a number of authentic academic writings, and will be taught many reading skills. These include scan reading for general meaning and detail, paraphrasing, making inferences, and much more.

### Practice

Using authentic test materials, you will participate in regular mock tests and finish your course fully-prepared for all sections of the IELTS or TOEFL exam.

### Perfect your exam technique

On these thorough, targeted courses, you will learn the valuable exam skills needed to meet or surpass your expected result. Using sample papers and with continuous practice of specific tasks, you will become familiar with the exam you are taking and learn how to answer the questions as effectively as possible.

### Improve your English

Being in an English-speaking environment for a long time improves your level. You will be speaking English inside and outside of your classroom. Your lessons will focus on preparing you for your exam; however, you will also see your English fluency improving from spending time in an English-speaking country.
