

French for Work

Perfect if you want to gain an advantage in your professional life, the French for Work course is for intermediate level students who want to use the French language for their career.

WHAT CAN YOU EXPECT ON THIS COURSE?

You will build your language skills within such areas as marketing, finance, management, e-business, international trade and corporate social responsibility.

By the end of your time with us, important doors will have opened for you, as you will also have gained the knowledge and skills to confidently deal with a wide range of business issues. All this will give you a vital edge over the competition as exciting new French language employment prospects open up around the world.
