EC Boston: Saratoga Street Shared Apartment

LOCAL AREA

East Boston is located just across the Boston Harbor from downtown Boston and boasts beautiful views of the city from its many waterfront parks. The style of the neighborhood is very city-like with triple decker homes, lots of apartments and homes packed tightly into each city block, and a lot of hustle and bustle. You will be exposed to many different cultures in East Boston: Latino, African-American, Chinese, etc.

Just a 10 minute walk away is East Boston's Constitution Beach, and 5-10 minutes on the 712/713 bus will take you to the New England harbor town of Winthrop, where you can enjoy more beaches, shoreline and beautiful views of the City of Boston. Winthrop and East Boston are both full of shops and restaurants for you to explore, as well. It's also home to Boston's Logan airport, so getting from the airport to your apartment is simple!

Please make sure to follow these instructions; otherwise, we cannot guarantee that the person who will check you in will be at the apartment when you arrive.

If you do not request the transfer service, it is very important that you call the EC Emergency phone on your way to the residence so that we can have your most updated arrival time. Also, please let the person on the phone know if you plan on taking a taxi or public transportation to the apartment. You will receive the keypad code to unlock the front door prior to your arrival. This code will remain yours until you leave the apartment.

If you have not provided us with your flight/arrival information, please do so as soon as possible, so that we can arrange for someone to let you in the apartment upon your arrival.

AIRPORT PICK-UP

If you request our airport transfer service, the driver will be waiting, holding an EC sign at:

- The baggage claim area, if you arrive via a DOMESTIC flight; OR
- Outside the Immigration & Customs area, if you arrive via an INTERNATIONAL flight.

If you do not see the transportation representative immediately, please make sure to wait at least 15 minutes before leaving the designated meeting point to call the transfer company emergency number +1(0) 800 609 1402. Even if the representative does not answer, you should still leave a message confirming your location and the agent will find you within a few minutes.
