Learning Centre

Address:

EC Malta, St. Julian's or St. Martin's College, Swatar Road, Swatar

Day Programme students attend lessons with other EC students at one of our centres, either in St. Julian's or at St. Martin's College. Both schools provide a safe and comfortable environment which is highly conducive to English language learning.

Course: General English

20 lessons per week (a total of 15 hours)

1 lesson = 45 minutes

- The course will help improve English language skills by focusing on the key areas: reading, writing, speaking and listening. A strong focus is placed on speech and using the language confidently and fluently.
- Our teachers make the course interesting and fun with lessons planned around topics designed to stimulate young people.

FIRST DAY

On the first Monday of the course, students are picked up by the private EC bus from the EC Adult Centre in St. Julian's at 7:30. After lunch students who have booked the activity programme will be taken directly to afternoon activities. Following the afternoon activity, students will be returned to the adult centre on the private EC bus to join their family.

On the first day of school students will sit for a placement test in order to assess their level of English language proficiency. Students will then join a class with students who have a similar level of English.

Students taking part in the activity programme will be dropped off at the EC adult centre at 17:30 after the afternoon activity, unless it is the BBQ afternoon when students will be dropped off later in the evening at 20:00, as this is a longer activity which includes dinner.

After school and a hot lunch, students who are not attending activities will be taken back to the EC adult centre at 14:30. Alternatively, parents can request for students to skip lunch and be dropped off immediately after lessons.

Students must attend all lessons and organised activities (if booked) to receive the End of Course Certificate.

CUSTOMER COMPLAINTS

At EC, we endeavour to provide our students with the highest possible level of service. If, however, a student is unsatisfied with any aspect of their programme with EC, we ask that they inform us immediately. Most problems are small and can be quickly resolved by our staff members. During the first week of school, all students are given an Initial Course Evaluation form, in which they are asked to evaluate various aspects of their stay, such as tuition, accommodation and leisure. The form also allows students the opportunity to bring to our attention anything that is not to their satisfaction should they feel unable to speak to us directly. Solutions to any issues will be provided and all necessary parties will be notified when applicable. Students are also requested to complete an End of Course Evaluation form at the end of their stay such that they have the opportunity to provide EC with general feedback before returning to their home country.

EXPULSION

Possession and / or use of any illegal drugs
Consumption of alcohol
Malicious damage to school property and/or place of accommodation
Being a danger to his / her own safety or that of other students
Breaking Maltese law
Repeated failure to attend academic lessons

In any of the above circumstances the student will be informed that their stay is going to be terminated with immediate effect. Simultaneously EC will inform the student's agent about the student's behaviour and the course of action to be taken. The earliest flight available will be booked and an EC staff member will accompany the student to the airport to ensure that the student leaves the country safely. Following such action EC will terminate all relationships with the student and will be unable to take further responsibility for him or her. No refunds will be given to any student who has been expelled.

ATTENDANCE

All students must attend school on a daily basis unless they are genuinely indisposed, due to illness, for example. If the student is ill during school hours a member of staff will, if required, accompany him/her to hospital.
